Profile

- Highly effective professional with more than 10 years of specialized experience in commercial and residential design, interior design, streetscape and landscape, urban planning, CAD documentation, BIM model, and LEED certifications.
- Seeking a challenging full-time position in the field of architecture and interior design, specifically focused on sustainability and energy saving.
- Energetic and hard-working contributor with detail orientation and multi-tasking/organizational proficiency.
- A well-educated individual with a creative mind, analytical and problem solving skills.
- Excellent team player who listens and thrives on collaborating with diversely talented team members.
- Dynamic, competitive achiever who can inspire and motivate team members, successfully manage multiple priorities, and perform under pressure in a fast-paced, rapidly changing environment.
- High flexibility demonstrated by studies and employment in different countries.

Experience

Associate Architect, Legat Architects, Chicago, IL

May '08 – May '11

- Design, construction documents, and project presentations for several projects such as commercial/mixed use, corporate, healthcare, higher education, K-12 education, and municipal facilities.
- LEED Certifications for both New Constructions and Existing Buildings: Operations & Maintenance (EBOM).
- Role of Revit expert, training other architects in using the software.

Architect Internship, Shive-Hattery, Bloomington, IL

May '07 – Aug '07

- Basic design concepts for different projects such as factory facilities, commercials and healthcares
- Construction documents.

N.B. The Italian architectural education and license are not recognized by US standards so I had to obtain a US education in order to qualify for architect registration in the US.
